ATTN: Shelby Pittman

I have noted several typographical errors in the referenced publication of my patent application No. 10/090,034, and was referred to you as the person to whom I should send corrections. The following table summarizes what I found on proofreading. Most of them seem to be scanning errors:

<u>Paragraph</u>	<u>Line</u>	<u>Correction</u>
[0001]	4	"(T)istillation" should be "Distillation"
[0001]	25	"asphalts However" should be "asphalts. However"
[0002]	2	"(rude" should be "crude"
[0018]	17	"steam carbon dioxide" should be "steam, carbon dioxide"
[0023]	10	"0.02" should be "0.04"
[0026]	4	"C <sub>4</sub> " should be CH <sub>4</sub> "
[0029]	7	"my three" should be "any three"
[0036]	6	"monoxide The" should be "monoxide. The"
[0044]	5	"iipflowing" should be "upflowing"
[0044]	8	"lightly" should be "slightly"
[0044]	Last	"adjusted maintain" should be "adjusted to maintain"
[0047]	3	"primary (cyclone" should be "primary cyclone"

Sincerely,
